## GitHub account

The screenshot shows the GitHub profile page for user 'TiNewman'. The page has a dark theme. At the top, there's a navigation bar with 'Pull requests', 'Issues', 'Marketplace', and 'Explore'. Below the navigation bar, the user's profile is displayed, including a green and white avatar, the name 'TiNewman', and a button to 'Edit profile'. The profile shows '0 followers' and '1 following'. Below the profile, there's a section for 'Organizations' with a small icon. The main content area is titled 'Popular repositories' and displays a message: 'You don't have any public repositories yet.' Below this, there's a section for '122 contributions in the last year' with a calendar grid showing contributions for each day. To the right of the calendar is a 'Contribution settings' dropdown menu. Below the calendar, there's an 'Activity overview' section showing a list of repositories contributed to: 'TiNewman/GameDesignProgra...', 'TiNewman/4dfib-TitanNewman-...', 'TiNewman/cmp1333newman', and '1 other repository'. At the bottom, there's a 'Contribution activity' section for 'January 2022' with a message: 'TiNewman has no activity yet for this period.' and a button to 'Show more activity'.

## GitHub class repository

The screenshot shows the GitHub repository page for 'TiNewman / mscs630newman'. The page has a dark theme. At the top, there's a navigation bar with 'Pull requests', 'Issues', 'Marketplace', and 'Explore'. Below the navigation bar, the repository name 'TiNewman / mscs630newman' is displayed, along with a 'Public' label. To the right of the repository name are buttons for 'Pin', 'Unwatch 1', 'Fork 0', and 'Star 0'. Below the repository name, there's a section for 'Code' with a dropdown menu showing 'main' (1 branch) and '0 tags'. To the right of the 'Code' section is a 'Clone' button with a dropdown menu showing 'Go to file', 'Add file', and 'Code'. Below the 'Clone' button is a 'Code' dropdown menu with options: 'Clone', 'Open with GitHub Desktop', and 'Download ZIP'. The main content area shows the repository's README file, which includes a 'README.md' file and a 'mscs630newman' section. To the right of the README file is an 'About' section with a message: 'No description, website, or topics provided.' Below the 'About' section are sections for 'Releases' and 'Packages', both showing 'No releases published' and 'No packages published' respectively.
